Hi Mike,

I ran your questions by Anne Rauch. They go beyond the scope of technical assistance. We need to have Anne participate in the discussion. You are welcome to invite council.

Can you do a call at 3:30 PM on Thursday, 6/15/2017?

Sorry, I was out of the office last week.

Dave,

I hope you are well. Please let me know if there is a good time for us to chat. I'd like to follow up on:

- 1) The GDC as delivered (will we get a formal acceptance email)
- 2) Any opportunity to amend/add on to the report to reflect that BOE has executed its GDC obligations.
- 3) Any opportunity to discuss the OSHA resolution, worker incidents and reflection on the overall facility design.

Best,

Mike
